To whom it may Concern:

I am writing on behalf Mr. Hill and his Red, White & Blue Store located in my community. His property is located on Rt. 65, a main access highway to the city of Pittsburgh, and a vital part of my commercial business district. Three years ago Mr. Hill approached me on an expansion and remodeling of his property. He came into Pittsburgh, met with myself and other business and property owners in the strip and working together, he was able to acquire additional property for his expansion. He used local Architects, Engineers and Contractors for during the work. The building now complete is an asset to the entire section of the strip, and I feel has inspired others to look at their properties. They employ many people in the community, sponsor events and programs, and have made their business part of our community.

I wish I had a dozen Jeff Hill's in this community. It's rare when a business run from across the country still cares what the local community thinks where it's located. I don't take writing recommendation letters lightly, anyone doing business with M &M Management will be proud to have them become part of your community.
