To whom it may concern

On behalf of the Greater Lake Worth Chamber of Commerce I am honored to recommend World Thrift Inc. to other municipalities.

Having served as former Chairman of the Board and now serving as the Executive Director of the Greater Lake Worth Chamber of Commerce I have Knowledge of what business World Thrift has and can do to a business district. You may wonder why we would recommend a thrift store. This is not an ordinary thrift store, it's a mini mall. They have clean quality items in which I would have not purchased in the mall. They are a great and a wonderful addition to the City of Lake Worth as well as any other future municipalities.

Ever since World Thrift moved into Lake Worth they have been active in our city affairs, as well as improved the look of the building, thus increasing our cities tax base. They are good for any city that wants to redevelop. Many critics thought that they might attract undesirables to the area, not true. Just the opposite happened. Residents and business owners alike are happy that they are here and hope that they continue to serve the citizens in Lake Worth and other future locations.

If you have any concerns at all please don't hesitate to call me

Yours truly,

Javaid Iqbal  
Executive Director
